Request under the Official Information Act 1982 – Percentage of international students

Thank you for your email of 17 October 2024, requesting the following information from Te Pūkenga – New Zealand Institute of Skills and Technology (Te Pūkenga):

Our question relates to the proportion of international and domestic students within the nursing programs offered within each of the thirteen Te Pūkenga Schools of Nursing, specifically:

- 1. Enrolled nursing program – where offered*
- 2. Bachelor of nursing program*
- 3. Bachelor of nursing program Māori – where offered*
- 4. Bachelor of nursing program Pacifica – where offered*
- 5. Graduate entry, masters' level pre-registration nursing program – offered by Wintec*

Te Pūkenga offers the Bachelor of Nursing Program across thirteen regional subsidiaries. It also offers the enrolled nursing programs from some subsidiaries and the graduate entry, masters' level pre-registration nursing program at Wintec. Please provide information detailing:

- The number of both domestic students (NZ citizens) and international students (overseas students studying on a student visa) currently enrolled within each year of the enrolled nursing program*
- The number of both domestic students (NZ citizens) and international students (overseas students studying on a student visa) currently enrolled within each year of the Bachelor of nursing program*
- The number of both domestic students (NZ citizens) and international students (overseas students studying on a student visa) currently enrolled within Wintec graduate entry, pre-registration nursing program*

Please provide the information by year of study and by each regional subsidiary.

This letter provides a formal decision on your request under the Official Information Act 1982 (OIA).

The decision

The information you have requested is attached at **Appendix One**. The data provides the total number of ākonga enrolled as at 4 October 2024 by their year of study, nursing qualification, business division, and international/domestic.

In some cases, providing the exact breakdown yields results of less than four ākonga. Where this is the case, we have withheld the exact numbers with reliance on section 9(2)(a) of the OIA, to protect the privacy of natural persons, and have not provided all totals in order to reduce the ability to determine the exact count. We do not believe the need to withhold this information is outweighed by the public interest in its release.

Please note that our definition of 'domestic ākonga (students)' is broader than just New Zealand citizens, and also includes Australian citizens, New Zealand residents, and any other ākonga eligible for Tertiary Education Commission (TEC) funding.

The table below provides the list of Te Pūkenga nursing programme qualifications (by type, code and title) that have been included. Whilst you will see some duplication in type and titles, we have included the full list of unique codes to indicate the number of programmes to which the data applies.
